

Grant-Blackford Mental Health Service Pricing

This price list covers selected inpatient and outpatient services at Grant-Blackford Mental Health. This list does not include all services GBMH provides, but it lists routine charges submitted to insurance. These listed charges do not inform you, the consumer, about your financial responsibility or about the range of professional services you might receive while in treatment. Your financial responsibility for services rendered is based on individual health plan details, and you might also qualify for our financial assistance program. To speak with someone about your specific care costs or to inquire about financial assistance, please call (765) 662-3971.
